Sales to over

countries

We have come a long way from our humble beginnings in 1950s, when we established our first packing factory in Pandan Loop, Singapore, with a small but dedicated team of employees.

Over the decades, we have transformed from a local packing operation into a global food and agribusiness listed on the Mainboard of the Singapore Stock Exchange Securities Trading Limited in 2010. Our products now reach customers in over 100 countries, supported by a well-established global sales and distribution network, and its wide range of brands including our flagship brands **OKI** and **MOI** brands.

Today, Mewah stands as one of the prominent edible oils and fats businesses with total refining capacity in excess of 4.5 million MT annually. Our diverse operations span Malaysia, Singapore, Indonesia and China, where we operate edible oil refineries, food manufacturing plants for bakery and confectionery products, biodiesel plant and dairy factory.

In addition to our core edible oils & fats business, we market and distribute a diversified portfolio of consumer-focused products. This includes our packaged rice, processed cashews, dairy-related items, food premixes and soap, alongside upstream agricultural commodities such as raw cashew nuts and cocoa beans. At Mewah, we are dedicated to enhancing the everyday lives of families around the world providing essential ingredients that contribute to better tasting and healthier meals.
