APPENDIX RELATING TO THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR INTERESTED PERSON TRANSACTIONS

1. Chapter 9 of the Listing Manual

- 1.1. Chapter 9 of the listing manual (the "Listing Manual") of the Singapore Exchange Securities Trading Limited ("SGX-ST") governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be at risk, with the listed company's interested persons. Whenever this Chapter applies to a transaction and the value of that transaction alone or on aggregation with other transactions conducted with the interested person during the financial year reaches, or exceeds certain materiality thresholds, the listed company is required to make an immediate announcement, or to make an immediate announcement and seek its shareholders' approval for that transaction.
- 1.2. Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its interested persons and therefore are excluded from the ambit of Chapter 9 of the Listing Manual, immediate announcement and shareholders' approval would be required in respect of transactions with interested persons if certain financial thresholds (which are based on the value of the transaction as compared with the Group's latest audited consolidated NTA), are reached or exceeded. In particular, shareholders' approval is required for an interested person transaction of a value equal to, or which exceeds:
 - (i) 5% of the Group's latest audited consolidated NTA; or
 - (ii) 5% of the Group's latest audited consolidated NTA, when aggregated with other transactions entered into with the same interested person (as such term is construed under Chapter 9 of the Listing Manual) during the same financial year.
- 1.3. Based on the latest audited consolidated accounts of the Group for the financial year ended 31 December 2012, the consolidated NTA of the Group was US\$559.9 million. In relation to MII, and for the purposes of complying with Chapter 9, in the current financial year and until such time as the consolidated audited accounts of the Group for the financial year ended 31 December 2013 are published, 5% of the latest audited consolidated NTA of the Group would be US\$28.0 million.
- 1.4. Chapter 9 of the Listing Manual permits a listed company, however, to seek a general mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as purchase and sale of supplies and materials (but not in respect of purchase or sale of assets, undertakings or businesses) that may be conducted with the listed company's interested persons.
- 1.5. Under the Listing Manual:
 - (i) an "approved exchange" means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles to Chapter 9;
 - (ii) "associate" means:
 - (a) in relation to any director, chief executive officer or Controlling Shareholder (being an individual)
 - his immediate family member (that is, the person's spouse, child, adopted child, step-child, sibling and parent);
 - the trustees of any trust of which he or his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object; and
 - any company in which he and his immediate family together (directly or indirectly) have an interest of 30 per cent or more; and
 - (b) in relation to a Controlling Shareholder (being a company), any other company which is its subsidiary or holding company or is a subsidiary of such holding company or one in the equity of which it and/or such other company or companies taken together (directly or indirectly) have an interest of 30 per cent or more;
 - (iii) "control" means the capacity to dominate decision-making, directly or indirectly, in relation to the financial and operating policies of a company;
 - (iv) "Controlling Shareholder" means a person who:
 - (a) holds directly or indirectly 15 per cent or more of the total number of issued shares excluding treasury shares in the company (the SGX-ST may determine that a person who satisfies this paragraph is not a Controlling Shareholder); or
 - (b) in fact exercises control over a company,or such other definition as the SGX-ST may from time to time determine;

- (v) “entity at risk” means:
 - (a) the listed company;
 - (b) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or
 - (c) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed company and/or its subsidiaries (the “listed group”), or the listed group and its interested person(s), has control over the associated company;
- (vi) (in the case of a company) an “interested person” means
 - (a) a director, chief executive officer or Controlling Shareholder of the listed company; or
 - (b) an associate of any such director, chief executive officer or Controlling Shareholder;
- (vii) an “interested person transaction” means a transaction between an entity at risk and an interested person;
- (viii) “transaction” includes the provision or receipt of financial assistance, the acquisition, disposal or leasing of assets, the provision or receipt of services, the issuance or subscription of securities, the granting, of or being granted options, and the establishment of joint ventures or joint investments, whether or not in the ordinary course of business, and whether or not entered into directly or indirectly.

2. Entities at risk

For the purposes of the Shareholders’ Mandate, an “Entity at Risk” means:

- (i) the Company;
- (ii) a subsidiary of the Company that is not listed on the SGX-ST or an approved exchange; or
- (iii) an associated company of the Company that is not listed on the SGX-ST or an approved exchange, provided that the Group and its interested persons have control over the associated company. Currently, MII do not have such associated companies. (together, the “EAR Group”).

3. Classes of Mandated Interested Persons

The Shareholders’ Mandate will apply to Mewah Group’s interested person transactions with Nature International Pte Ltd, Ecolex Sdn. Bhd., Choon Heng Transport & Warehousing Pte Ltd, Containers Printers Pte Ltd, Perfect Venue Sdn. Bhd., Capital Paradise Sdn. Bhd., Prelude Gateway Sdn. Bhd. and Anthola Insurance Agencies Sdn. Bhd., (each a “Mandated Interested Person”).

Transactions with the Mandated Interested Persons that do not fall within the ambit of the Shareholders’ Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

4. Mandated Transactions

The transactions with the Mandated Interested Persons that will be covered by the Shareholders’ Mandate (“Mandated Transactions”) relating to the provision to, or obtaining from the Mandated Interested Persons of products and services in the ordinary course of business of the Group or which are necessary for day-to-day operations (but not in respect of the purchase or sale of assets, undertakings or businesses that are not part of day-to-day operations) are as follows:

- (i) purchases of products such as palm stearin and packaging materials products from interested persons;
- (ii) obtaining services, including transportation and forwarding services, from interested persons;
- (iii) obtaining insurance and insurance related services from interested persons;
- (iv) sales of products such as palm stearin products and cooking oil to interested persons;
- (v) leasing of properties from interested persons for residential and industrial purposes, office and warehouses spaces; and
- (vi) provision or the obtaining of such other products and/or services which are incidental to or in connection with the provision or obtaining of products and/or services in sub-paragraphs (i) to (v) above.

5. Rationale for and benefits of the Shareholders' Mandate

- (i) The transactions with the Mandated Interested Persons are entered into or to be entered into by the Group in its ordinary course of business. They are recurring transactions that are likely to occur with some degree of frequency and may arise at any time and from time to time. The Directors believe that it will be beneficial to the Group to transact or continue to transact with the Mandated Interested Persons.
- (ii) The Shareholders' Mandate and the renewal of the Shareholders' Mandate on an annual basis will eliminate the need to convene separate general meetings from time to time to seek Shareholders' approval as and when potential interested person transactions with the Mandated Interested Persons arise, thereby reducing substantially the administrative time and expenses incurred to convene general meetings, without compromising its corporate objectives or adversely affecting the business opportunities available to the Group.
- (iii) The Shareholders' Mandate is intended to facilitate transactions in the ordinary course of business that are transacted from time to time with the Mandated Interested Persons, provided that they are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.
- (iv) Disclosure will be made in the format required by the Listing Manual, and to the extent required by the SGX-ST, of the aggregate value of interested person transactions conducted pursuant to the Shareholders' Mandate during the current financial year, and in the annual reports for the subsequent financial years during which a Shareholders' Mandate is in force.

6. Review Procedures and Threshold Limits for Interested Person Transactions

Audit Committee has oversight of all interested person transactions undertaken by the Group including the review of, and where required, approval of, such transactions. The Group has also established the procedures described below to ensure that the interested person transactions are undertaken on an arm's length basis and on normal commercial terms.

6.1. Review procedures

In general, the Group have established procedures to ensure that interested person transactions, including the Mandated Transactions with the Mandated Interested Persons, are undertaken on an arm's length basis consistent with the Group's usual business practices and policies and which are conducted on normal commercial terms not prejudicial to the interests of the Company, and on terms which are generally no more favourable to the interested person than those extended to or obtained from unrelated third parties.

In particular, the Group has implemented the following review procedures:

(i) *Purchase of products and obtaining of services from Mandated Interested Persons*

All procurement and purchases made by the Group of a recurring nature which are in the ordinary course of business of the Group or which are necessary for the day-to-day operations of the Group, including the Mandated Transactions with the Mandated Interested Persons, will be governed by internal control procedures, which detail matters such as the constitution of internal approving authorities, their approval limits, the number of vendors who provide the Group with quotes, and the review procedures.

The guiding principle is to objectively obtain the best goods and/or services on the best terms through competitive quotations, if appropriate. In determining whether the price and terms offered by interested persons are fair and reasonable, factors such as, but not limited to, delivery schedules, specification compliance, track record, experience and expertise, preferential rates, discounts and/or rebates offered for bulk purchases will be taken into consideration. In addition, each Interested Person Transaction entered into by the Group will be monitored as an individual transaction and based on the value of the transaction, will require the prior approval of a director or executive officer of the Group (not being an interested person or an associate) and who does not have any interest, whether direct or indirect, in relation to the transaction (the "Relevant Approving Authority") as follows:

Approval Limits	Approving Authority
Interested person transaction not exceeding US\$5 million in value	Chief Executive Officer or in the event that the Chief Executive Officer is the relevant interested person or an associate of a relevant interested person, any other Director who is not the relevant interested person or an associate of a relevant interested person
Interested person transaction above US\$5 million	Audit Committee

In the event that the Group cannot obtain competitive quotations (for instance, if there are no unrelated third party vendors of similar products and services (taking into account quantum, specifications and delivery schedules among others), or if the product is proprietary in nature), based on the value of the proposed interested person transaction, the corresponding Relevant Approving Authority as set out above (not being an interested person or his associate) and who does not have any interests, direct or indirect, in relation to the transaction, will determine whether the price and terms offered by the interested person are fair and reasonable.

(ii) *Sale of products to the Mandated Interested Persons*

All contracts entered into or transactions with the Mandated Interested Persons for the sale of products are to be carried out at the prevailing market rates, on terms which are no more favourable to the Mandated Interested Person than the usual commercial terms extended to unrelated third parties (including, where applicable, preferential rates, discounts and/or rebates offered for bulk purchases) or otherwise in accordance with applicable market norms. In addition, each interested person transaction entered into by the Group will be monitored as an individual transaction and based on the value of the transaction, will require the prior approval of the Relevant Approving Authority as follows:

Approval Limits	Approving Authority
Interested person transaction not exceeding US\$5 million in value	Chief Executive Officer or in the event that the Chief Executive Officer is the relevant interested person or an associate of a relevant interested person, any other Director who is not the relevant interested person or an associate of a relevant interested person
Interested person transaction above US\$5 million	Audit Committee

Where the prevailing market rates or prices are not available due to the product being sold, the pricing for such products to be sold to the Mandated Interested Persons will be determined in accordance with usual business practices and pricing policies, consistent with the usual margin to be obtained by the Group for the same or substantially similar type of contract or transaction with unrelated third parties taking into consideration factors such as, but not limited to, quantity, volume and consumption.

(iii) *Leasing property from the Mandated Interested Persons*

The Group intends to enter into certain transactions that are necessary for the day-to-day operations of the Group which include the leasing of property from Mandated Interested Persons. The Group will only lease or renew the existing leases with Mandated Interested Persons if the Group is satisfied that the rent payable to and from these Mandated Interested Persons is in line with prevailing market rental rates for comparable spaces. In addition, each interested person transaction entered into by the Group will be monitored as an individual transaction and based on the value of the transaction, will require the prior approval of a Relevant Approving Authority as follows:

Approval Limits	Approving Authority
Interested person transaction not exceeding US\$2 million in value	Chief Executive Officer or in the event that the Chief Executive Officer is the relevant interested person or an associate of a relevant interested person, any other Director who is not the relevant interested person or an associate of a relevant interested person
Interested person transaction above US\$2 million	Audit Committee

In the event that prevailing market rental rates are not available, whether due to the unavailability or impracticality of obtaining rental comparisons or otherwise, rent will be determined according to the Group's usual business practices and policies. In addition, based on the value of the proposed interested person transaction, the corresponding Relevant Approving Authority as set out above (not being an interested person or his associate and who does not have any interests, direct or indirect, in relation to the transaction), will determine whether the price and terms offered by the interested person are fair and reasonable.

(iv) *Non-recurring interested person transactions*

The Group may from time to time also enter into interested person transactions not covered in the above paragraphs and which do not form part of the Shareholders' Mandate. These transactions are not of a recurring nature or occur outside the ordinary course of business of the Group or may not be necessary for or part of the day-to-day operations of the Group. The Group intends to conduct these transactions in accordance with the Listing Manual, including the

threshold, approval and other requirements under Rules 905 and 906 of the Listing Manual. In the event these transactions require the approval of its Shareholders, additional information may be required to be presented to Shareholders and an independent financial advisor may be appointed for an opinion.

6.2. Other review procedures

The Audit Committee will also review all interested person transactions including Mandated Transactions to ensure that the prevailing rules and regulations of the SGX-ST (in particular, Chapter 9 of the Listing Manual) are complied with. The Group has also implemented the following procedures to identify interested person transactions (including Mandated Transactions) and interested persons (including Mandated Interested Persons) and to record all the interested person transactions:

- (i) the Group will maintain a register of all transactions carried out with the interested persons including the Mandated Interested Persons (and the basis, including the quotations obtained to support such basis, on which these transactions are entered into, whether mandated or non-mandated); and
- (ii) on a quarterly basis, Chief Financial Officer will submit a report to the Audit Committee of all recorded interested person transactions, and the basis of such transactions, entered into by the Group. The Company's annual internal audit plan shall incorporate a review of all interested person transactions, including the established review procedures for the monitoring of such transactions including transactions with Mandated Interested Persons, whether they are new interested person transactions or existing interested person transactions that have been renewed or revised during the relevant financial year pursuant to the Shareholders' Mandate.

In addition, the Audit Committee shall also review from time to time such internal controls and review procedures for interested person transactions to determine if they are adequate and/or commercially practicable in ensuring that the transactions between the Group and interested persons are conducted on normal commercial terms and not prejudicial to the interests of the Company and the minority Shareholders. In conjunction with such review, the Audit Committee will also ascertain whether the established review procedures have been complied with. Further, if during these reviews the Audit Committee is of the view that the internal controls and review procedures for interested person transactions are inappropriate or not sufficient to ensure that the interested person transactions will be on normal commercial terms and not prejudicial to the interests of the Company and the minority Shareholders, the Audit Committee will (pursuant to Rule 920(1)(b)(iv) and (vii) of the Listing Manual) revert to the Shareholders for a fresh Shareholders' Mandate based on new internal controls and review procedures for transactions with the Mandated Interested Persons.

For the purposes of the above review of the internal controls and review procedures, any of the Directors or a member of the Audit Committee who is not considered independent will abstain from participating in the Audit Committee's review of the internal controls and review procedures. The Board of Directors and the Audit Committee will have overall responsibility for determining the review procedures with the authority to delegate to individuals or committees within the Group as they deem appropriate.

7. Audit Committee's Confirmation

The Audit Committee, having considered the terms of the Shareholders' Mandate and the review procedures for interested person transactions, confirms that the methods and procedures for determining the transaction prices as set out in this Circular have not changed since the shareholders' approval obtained on 25 April 2013 and that the methods and procedures are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

If, during the periodic reviews by the Audit Committee, the Audit Committee is of the view that the established review procedures are inadequate or inappropriate to ensure that the interested person transactions will be on normal commercial terms, and will not be prejudicial to the interests of the Company and its minority Shareholders, or in the event of any amendment to Chapter 9 of the Listing Manual, it will in consultation with the Board, take such action as it deems proper in respect of such procedures and/or modify or implement such procedures as may be necessary and direct the Company to revert to Shareholders for a fresh mandate based on new guidelines and procedures for transactions with interested persons.

8. Validity Period of the Shareholders' Mandate

If approved by Shareholders at the 2014 AGM, the Shareholders' Mandate will take effect from the date that such approval is obtained, and will (unless revoked or varied by the Company in general meeting) continue in force until the next AGM of the Company. Approval from Shareholders will be sought for the renewal of the Shareholders' Mandate at the next AGM or EGM and at each subsequent AGM or EGM of the Company, subject to satisfactory review by the Audit Committee of its continued application to transactions with interested persons.

9. Directors' and Substantial Shareholders' Interest

Directors' and Substantial Shareholders' interests in the shares of the Company are presented in the "Directors' Report" section and "Statistics of Shareholdings" section of the Company's annual report respectively.

10. Disclosure in Financial Statements and Annual Report

Disclosure will be made in the Company's financial statements for each of the first three quarters of its financial year, its full year financial statement and its annual report of the aggregate value of all Interested Person Transactions conducted with interested persons under the Shareholders' Mandate during the current financial year in accordance with the requirements of Chapter 9 of the Listing Manual.

11. Voting

In accordance with the requirements of Chapter 9 of the Listing Manual, Dr. Cheo Tong Choon @ Lee Tong Choon, Mr. Cheo Seng Jin, and Mr. Cheo Tiong Choon will abstain from voting, and each has undertaken to ensure that its associates will abstain from voting, on the Ordinary Resolution relating to the renewal of the Shareholders' Mandate to be proposed at the 2013 AGM in respect of the Shares held by them respectively.

12. Directors' Recommendations

The Directors who are considered independent for the purposes of the proposed renewal of the Shareholders' Mandate are Mr. Giam Chin Toon, Tan Sri Dato' Ir Muhammad Radzi Bin Haji Mansor, Mr. Lim How Teck and Tan Sri Datuk Dr Ong Soon Hock (the "Independent Directors"). The Independent Directors are of the opinion that the proposed Shareholders' Mandate is in the best interests of the Company and accordingly recommend that Shareholders vote in favour of the Ordinary Resolution relating to the proposed renewal of the Shareholders' Mandate as set out in the Notice of AGM.

13. Approval and Resolution

Your approval for the proposed renewal of Shareholders' Mandate is sought at the AGM.

14. Action to be Taken by Shareholders

Shareholders who are in any doubt as to the action they should take, should consult their stockbrokers or other professional advisers immediately.

To: The Shareholders of Mewah International Inc.

Dear Shareholders,

1. INTRODUCTION

- 1.1 The Directors of the Company wish to seek Shareholders' approval for the proposed renewal of the Share Purchase Mandate at the EGM to be held on 28 April 2014 at 11 a.m. at The Chevrons, Sunflower Room, Level 1, 48 Boon Lay Way, Singapore 609961 (or such time immediately following the conclusion or adjournment of the AGM of the Company to be held at 10 a.m. on the same day and at the same place).
- 1.2 The purpose of this Appendix, to be circulated to Shareholders together with the Company's Annual Report, is to provide Shareholders with relevant information pertaining to the proposed renewal of the Share Purchase Mandate to be tabled at the EGM.

2. THE PROPOSED SHARE PURCHASE MANDATE OF THE COMPANY

2.1 Background and Shareholders' Approval

At the EGM of the Company held on 25 April 2013, Shareholders had approved a general and unconditional mandate to enable the Company to purchase or otherwise acquire its issued Shares (the "**Share Purchase Mandate**"). The Share Purchase Mandate will expire on the date of the forthcoming AGM to be held on 28 April 2014 and the Directors propose that the Share Purchase Mandate be renewed at the forthcoming EGM. If approved, the Share Purchase Mandate will take effect from the date of the EGM and continue in force until the conclusion of the next AGM or such date as the next AGM is required to be held, unless prior thereto, share buybacks are carried out to the full extent mandated or the Share Purchase Mandate is revoked or varied by the Company in general meeting. The Share Purchase Mandate may be put to Shareholders for renewal at each subsequent AGM (or at an EGM following such AGM).

2.2 Rationale

The Share Purchase Mandate will allow the Company the flexibility to purchase or acquire Shares if and when circumstances permit. Share purchases or acquisitions provide the Company and its Directors with an easy mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements in an expedient and cost-efficient manner. The purchase or acquisition of Shares may, depending on market conditions and funding arrangements, lead to an enhancement of the earnings per Share and/or NTA per Share.

Share purchases or acquisitions also allow the Directors to exercise greater control over the Company's share capital structure, dividend policy and cash reserves with a view to enhance the earnings per Share and/or NTA per Share. The Share Purchase Mandate will further give the Company the opportunity to purchase or acquire Shares when such Shares are undervalued and help to buffer short-term share price volatility and offset the effects of share price speculation, thereby boosting Shareholders' confidence and employees' morale.

If and when circumstances permit, the Directors will decide whether to effect the Share purchases or acquisitions via Market Purchases or Off-Market Purchases, after taking into account the amount of surplus cash available, the then prevailing market conditions and the most cost effective and efficient approach.

The Directors will only make purchases or acquisitions of Shares pursuant to the Share Purchase Mandate when they consider it to be in the best interests of the Company and in circumstances which they believe will not result in any material adverse effect on the financial position of the Company or the Group, or result in the Company being delisted from the SGX-ST.

2.3 **Authority and Limits on the Share Purchase Mandate**

The authority and limits placed on purchases of Shares by the Company under the Share Purchase Mandate, are summarised below:

2.3.1 **Maximum Number of Shares**

Only Shares which are issued and fully paid up may be purchased or acquired by the Company.

The total number of Shares that may be purchased or acquired under the Share Purchase Mandate will not exceed, within the entire Relevant Period, 3% of the issued Shares of the Company, as at the date of the EGM at which the renewal of the Share Purchase Mandate is approved (the "**Approval Date**"), unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Cayman Companies Law at any time during the Relevant Period or within any one financial year of the Company, whichever is the earlier, in which event the issued ordinary share capital of the Company shall be taken to be the amount of the issued ordinary share capital of the Company as altered.

For illustrative purposes only, on the basis of 1,507,061,440 Shares in issue as at the Latest Practicable Date and assuming that no further Shares are issued on or prior to the EGM not more than 45,211,000 Shares (representing 3% of the issued share capital of the Company as at that date) may be purchased by the Company pursuant to the proposed Share Purchase Mandate during the duration referred to in paragraph 2.3.2 below.

2.3.2 **Duration of Authority**

Share purchases or acquisitions pursuant to the Share Purchase Mandate may be made, at any time and from time to time, on and from the Approval Date, up to:

- (i) the conclusion of the next AGM of the Company; or
- (ii) the date on which the next AGM is required to be held; or
- (iii) the date on which such Share purchases or acquisitions are carried out to the full extent mandated; or
- (iv) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by Shareholders in a general meeting,

whichever is the earliest (the "**Relevant Period**").

2.3.3 **Manner of Share Purchase**

- (i) Share purchases or acquisitions may be made by way of a Market Purchase or an Off-Market Purchase.
- (ii) The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Cayman Companies Law, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. However, an equal access scheme must satisfy all of the following conditions:

- (a) offers under the scheme must be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
 - (b) all of those persons must have a reasonable opportunity to accept the offers made to them; and
 - (c) the terms of all the offers must be the same except that there shall be disregarded (1) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements, (2) (if applicable) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid, and (3) differences in the offers introduced solely to ensure that each Shareholder is left with a whole number of Shares.
- (iii) If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, the Company will issue an offer document to all Shareholders which shall contain at least the following information:
- (a) the terms and conditions of the offer;
 - (b) the period and procedures for acceptances;
 - (c) the reasons for the proposed Share purchase or acquisition;
 - (d) the consequences, if any, of the Share purchases or acquisitions by the Company that will arise under the Takeover Code or other applicable take-over rules;
 - (e) whether the Share purchase or acquisition, if made, will have any effect on the listing of the Shares on the SGX-ST; and
 - (f) details of any Share purchases or acquisitions made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases.

2.3.4 **Maximum Purchase Price**

The purchase price per Share (excluding brokerage, commission, applicable goods and services tax and other related expenses) to be paid for Shares purchased or acquired pursuant to the Share Purchase Mandate will be determined by the Directors.

However, the purchase price to be paid for the Shares purchased or acquired pursuant to the Share Purchase Mandate must not exceed:

- (i) in the case of a Market Purchase, 105% of the Average Closing Price (as defined below) of the Shares; and
 - (ii) in the case of an Off-Market Purchase, 120% of the Average Closing Price,
- (the "**Maximum Price**") in either case, excluding related expenses of the purchase.

For the above purposes:

"Average Closing Price" means the average of the closing market prices of the Shares over the last five consecutive Market Days, on which transactions in the Shares were recorded, immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs after the relevant five consecutive Market Days; and

"date of the making of the offer" means the date on which the Company announces its intention to make an offer for the purchase or acquisition of the Shares to holders of Shares, stating the purchase price (which shall not be more than the Maximum Price determined on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 Status of Purchased Shares

As it is not permissible under the Cayman Companies Law for the Company to hold treasury shares, a Share which is purchased or acquired by the Company is treated as cancelled immediately on purchase or acquisition. On such cancellation, all rights and privileges attached to that Share will expire and the Company's issued share capital (but not its authorised share capital) shall be diminished by the nominal value of that Share. Accordingly, the total number of issued Shares, but not the Company's authorised share capital, will be diminished by the number of Shares purchased or acquired by the Company which are cancelled. All Shares purchased by the Company will be automatically delisted by the SGX-ST, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase or acquisition.

2.5 Reporting Requirements

2.5.1 The Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (a) in the case of a Market Purchase, on the Market Day following the date of purchase or acquisition of any of its shares; and (b) in the case of an Off-Market Purchase, on the second Market Day after the close of acceptances of the offer for the Off-Market Purchase.

2.5.2 However, Article 3(2) provides that the Company must make an announcement to the SGX-ST of any purchase or acquisition by the Company of its own shares on the Market Day following the day of such purchase or acquisition.

2.5.3 The notification of such purchases or acquisitions to the SGX-ST shall be in such form and shall include such details as may be prescribed by the SGX-ST in the Listing Manual. The Company shall make arrangements with its stockbrokers to ensure that they provide the Company in a timely fashion with the necessary information which will enable the Company to make the notifications to the SGX-ST.

2.5.4 For an Off-Market Purchase, the Listing Manual requires that the listed company issue an offer document to all shareholders containing the information as set out in Paragraph 2.3.3(iii) above.

2.6 Sources of Funds

2.6.1 In purchasing or acquiring Shares, the Company shall only apply funds legally available in accordance with its Articles and any other applicable laws in Singapore and the Cayman Islands. Furthermore, the Company may not purchase or acquire its Shares on the SGX-ST for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the SGX-ST.

2.6.2 Pursuant to the Articles and the Cayman Companies Law, any payment made by the Company in consideration of the purchase or acquisition of its own Shares may only be made out of the profits of the Company, out of the proceeds of a fresh issue of Shares made for the purposes of the purchase or by a payment out of capital as the Board may determine in accordance with the provisions of the Cayman Companies Law. A payment out of capital by a Cayman Islands company for the purchase of its own shares is not lawful unless immediately following the date on which the payment out of capital is proposed to be made, the company shall be able to pay its debts as they fall due in the ordinary course of business. Apart from using its internal sources of funds, the Company may obtain or incur borrowings to finance its purchase or acquisition of Shares.

2.6.3 The Company will use internal resources or external borrowings or a combination of both to fund purchases of Shares pursuant to the Share Purchase Mandate. However, in considering the option of external financing, the Directors will consider particularly the prevailing gearing level of the Group. The Directors will only make purchases or acquisitions pursuant to the Share Purchase Mandate in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group.

2.7 Financial Impact

2.7.1 Under the Cayman Companies Law, Share purchases or acquisitions by the Company may be made out of the Company's capital or profits or the proceeds of a fresh issue of Shares made for that purpose.

2.7.2 The purchased or acquired Shares are cancelled and a reduction by the total amount of the purchase price paid by the Company for the Shares cancelled will be made to:

- (i) the share capital of the Company where the Shares were purchased out of the capital of the Company;
- (ii) the profits of the Company where the Shares were purchased out of the profits of the Company; or
- (iii) the share capital and profits of the Company proportionately where the Shares were purchased out of both the capital and profits of the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding related brokerage, goods and services tax, stamp duties and clearance fees) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

- 2.7.3 The amount of funding required for the Company to purchase or acquire its Shares and the financial impact on the Company and the Group arising from purchases of Shares which may be made pursuant to the proposed Share Purchase Mandate will depend, inter alia, on the aggregate number of Shares purchased or acquired and the consideration paid at the relevant time.
- 2.7.4 The impact of purchases or acquisitions under the Share Purchase Mandate on net asset value per Share, earnings per Share and gearing of the Company and the Group will depend, inter alia, on the number of Shares purchased or acquired, the price at which they are purchased or acquired and the manner in which the purchase or acquisition is funded. It is therefore not possible to accurately calculate or quantify the impact at this point of time.
- 2.7.5 Based on the existing number of Shares of the Company as at the Latest Practicable Date, the proposed Share purchases or acquisitions by the Company of up to a maximum of 3% of its Shares under the Share Purchase Mandate will result in the purchase of up to 45,211,000 Shares.
- 2.7.6 In the case of Market Purchases by the Company, based on 1,507,061,440 Shares in issue as at the Latest Practicable Date and the assumption that, pursuant to the Share Purchase Mandate, the Company purchases the maximum number of 45,211,000 Shares at the Maximum Price of S\$0.525 per Share (being the price equivalent to 5% above the Average Closing Price, which is assumed to be S\$0.50 per Share), the maximum amount of funds required for the purchase of 45,211,000 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately S\$23,735,775 or US\$18,689,587 (based on an exchange rate of US\$1:S\$1.27 at the time of purchase).
- 2.7.7 In the case of Off-Market Purchases by the Company, based on 1,507,061,440 Shares in issue as at the Latest Practicable Date and the assumption that, pursuant to the Share Purchase Mandate, the Company purchases the maximum number of 45,211,000 Shares at the Maximum Price of S\$0.60 per Share (being the price equivalent to 20% above the Average Closing Price, which is assumed to be S\$0.50 per Share), the maximum amount of funds required for the purchase of 45,211,000 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately S\$27,126,600 or US\$21,359,528 (based on an exchange rate of US\$1:S\$1.27 at the time of purchase).
- 2.7.8 On the basis of the assumptions set out above and the following:
- (i) the Share Purchase Mandate had been effective on 31 December 2013 and 45,211,000 Shares (representing 3% of the Shares in issue as at the Latest Practicable Date) were purchased and cancelled on 31 December 2013; and
 - (ii) such Share purchase was financed solely by internal resources,

Shareholders should note that the financial effects illustrated above are for illustrative purposes only. In particular, it is important to note that the above analysis is based on the latest audited financial statements of the Company and the Group as at 31 December 2013, and are not representative of the Group's future financial performance.

Although the Share Purchase Mandate would authorise the Company to buy back up to 3% of the Company's issued Shares, the Company may not necessarily buy back all 3% of the issued Shares in full.

2.8 Taxation

Shareholders who are in doubt as to their respective tax positions or tax implications of Share purchases or acquisitions by the Company, or who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

2.9 Listing Status

2.9.1 The Company is required under Rule 723 of the Listing Manual to ensure that at least 10% of its Shares are in the hands of the public. The “public”, as defined under the Listing Manual, are persons other than (a) the directors, chief executive officer and substantial shareholders, or controlling shareholders of the Company and its subsidiaries, and (b) the associates of such persons named in (a).

2.9.2 As at the Latest Practicable Date, there are 224,615,382 Shares in the hands of the public, representing 14.9% of the issued Shares of the Company. Assuming that the Company purchases its Shares up to the full 3% limit pursuant to the Share Purchase Mandate, the number of Shares in the hands of the public would be reduced to 179,404,382 Shares, representing 12.3% of the remaining issued Shares of the Company. As such, the Company will continue to remain in compliance with Rule 723 of the Listing Manual even if the Company purchases its Shares up to the full 3% limit pursuant to the Share Purchase Mandate.

2.9.3 In undertaking any purchases of its Shares, the Directors will use their best efforts to ensure that a sufficient number of Shares remain in public hands so that the share purchase(s) will not:

- (i) affect the listing status of the Shares on the SGX-ST;
- (ii) cause market illiquidity; or
- (iii) affect the orderly trading of the Shares.

2.9.4 While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because a listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Purchase Mandate at any time after any matter of a price sensitive nature has occurred or has been the subject of a consideration and/or decision of the board of directors of the Company until the price sensitive information has been publicly announced. In particular, in line with the best practices on securities dealings in the Listing Manual, the Company will not purchase or acquire any Shares through Market Purchases during the period commencing two weeks immediately preceding the announcement of the Company’s financial statements for each of the first three quarters of its financial year and one month immediately preceding the announcement of the Company’s financial statements for its annual (full-year) results, and ending on the date of the announcement of the relevant results.

2.10 Implications under the Takeover Code

2.10.1 The resultant increase in the percentage of voting rights held by a Shareholder and persons acting in concert with him, following the purchase of Shares by the Company, will be treated as an acquisition for the purposes of Rule 14 of the Takeover Code (“**Rule 14**”). Consequently, depending on the number of Shares purchased by the Company and the total number of Shares issued by the Company at that time, a Shareholder or group of Shareholders acting in concert with each other could obtain or consolidate control of the Company and could become obliged to make an offer under Rule 14.

2.10.2 Under the Takeover Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal) co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate control of that company. Unless the contrary is established, the following persons, inter alia, will be presumed to be acting in concert:

- (i) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the foregoing companies, and any company whose associated companies include any of the foregoing companies;
- (ii) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts); and

- (iii) an individual, his close relatives, his related trusts and any person who is accustomed to act in accordance with his instructions, companies controlled by any of foregoing persons, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the aforesaid for the purchase of voting rights.

For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.

2.10.3 The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a general offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Takeover Code ("**Appendix 2**").

2.10.4 In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a general offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months.

2.10.5 Under Appendix 2, a Shareholder who is not acting in concert with the Directors will not be required to make a general offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the proposed Share Purchase Mandate, unless so required under the Cayman Companies Law.

2.10.6 Shareholders (including Directors) and their concert parties who hold more than 50% of the Company's voting rights are under no obligation to make a general offer under Rule 14 if the voting rights of such Shareholders and their concert parties were to increase as a result of the Company purchasing or acquiring its Shares.

2.10.7 The interests of the Directors and substantial Shareholders of the Company, and where applicable, their relationship with respect to each other, are set out in Paragraph 3 below.

2.10.8 Accordingly, based on the number of Shares held by the Directors and Substantial Shareholders of the Company as at the Latest Practicable Date, the purchase by the Company of the maximum limit of 3% of its issued share capital would not cause:

- (i) the voting rights of any Director or substantial Shareholder to increase to 30% or more; or
- (ii) in respect of a Director or substantial Shareholder who holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder to increase by more than 1% in any period of six months.

2.10.9 As at the Latest Practicable Date, the Directors are not aware of any Shareholder or group of Shareholders acting in concert who may become obligated to make a mandatory offer under the Takeover Code in the event that the Company purchases the maximum number of Shares under the Share Purchase Mandate.

Shareholders who are in any doubt as to whether they would incur any obligations to make a take-over offer as a result of any purchase of Shares by the Company pursuant to the Share Purchase Mandate are advised to consult their professional advisers before they acquire any Shares in the Company during the period when the Share Purchase Mandate is in force.

2.11 Previous Share Purchases or Acquisitions

The Company has not purchased any Shares during the 12 months period preceding the Latest Practicable Date.

3. INTERESTS OF DIRECTORS AND SUBSTANTIAL SHAREHOLDERS

Based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders as at the Latest Practicable Date, the shareholdings of the Directors and the Substantial Shareholders before and after the purchase of Shares pursuant to the Share Purchase Mandate, assuming (a) the Company purchases the maximum limit of 3% of the issued share capital of the Company, and (b) there is no change in the number of Shares held by the Directors and the Substantial Shareholders or which they are deemed interested in, will be as follows:

	Before Share Purchase		Total Interest (Number of Shares)	After Share Purchase
